

Port Macquarie

A Multitude Of Uses

Do your investigations and establish the likelihood of a project of your own design. Around the corner from one of Port's business centres and close by to Settlement City and the CBD, you must assess the viability by doing some design work to see what works best. Don't be afraid to think outside the square on this one. It could be the best investment decision you have made for a long time.

The above information provided has been furnished to us by the vendor/s. We have not verified whether or not that information is accurate and do not have any belief in one way or the other in its accuracy. We do not accept any responsibility to any person for its accuracy and do no more than pass it on. All interested parties should make and rely upon their own inquiries in order to determine whether or not this information is in fact accurate.
